

Crew Chief/Field Technician

ARCHER CRM is an Archaeological Consulting company with offices throughout British Columbia. ARCHER CRM strives to create and foster a workplace environment where diversity and inclusion are encouraged and celebrated. Through the recognition that every individual brings with them unique experiences, cultural histories, and perspectives, our goal is to create a workplace community that encourages growth, creative contribution, and success. With these goals, and through education, integrity and innovation, ARCHER Cultural Resource Management Corp. is committed to promoting the values of Canada's cultural landscape.

ARCHER CRM has positions available in our Northern offices for full-time Crew Chiefs and Field Technicians to work alongside our Field Directors and Supervising Archaeologists in the completion of archaeological field work and assessments. ARCHER CRM has a competitive Benefits package for the Crew Chief position and provides an additional Health and Wellness plan for our long-term employees.

Job Description

Primary Responsibility: To assist with the co-ordination of logistical field operations (outdoor work) at ARCHER, and assist Archaeological Field Leads in conducting archaeological field work, including but not limited to:

- Adhering to Archer CRM's OH&S and Quality Assurance programs;
- Actively participating in archaeological field assessments and assisting with any fieldwork tasks as needed.
- Maintain all field equipment in working, safe condition and flag all areas of concern in a timely manner to ensure all equipment is in optimal working condition at all times;
- Safely operate off-road vehicles (including snowmobiles, ATVs, UTVs, and side by sides);
- Load/unload pick-ups & attach/detach trailers on pick-ups.;
- Operate cement saws & other mechanized tools;
- Crew Chiefs act in a supervisory capacity, providing mentorship and leadership to Field Technicians;
- Co-ordinate effectively with assigned supervisor and Supervising Archaeologists;
- Effectively communicate and liaise with Supervising Archaeologists, Field Directors, Project Lead Archaeologists, the Administration group and Directors as needed.

Preference given to those with the following skills/experience:

- Demonstrated ability to safely operate and, for Crew Chiefs, perform minor repairs on mechanized equipment;
- Demonstrated ability to drive vehicles towing trailers;
- Familiarity with hydraulic decks is preferred;
- Knowledge and practical experience with all-terrain vehicles (or equivalent), chainsaws, cement saws, augers, and off-pavement 4-wheel drive vehicle operation is preferred;
- Demonstrated ability to navigate;
- Ability to work in a leadership role (Crew Chiefs), in a team environment, co-ordinating with Archaeologists, Field Director(s) and taking direction from Project Leads, Directors, and members of the Administration group.

EMPLOYMENT OPPORTUNITY

Requirements:

- Canadian Citizen, or legally eligible to work in Canada;
- Class 5 Driver's License with a demonstrated clean driving record, and experience driving in challenging environmental and road conditions;
- Crew Chiefs: A high school diploma is required, with accredited post-secondary training in skills related to the position beneficial. A minimum of 2 to 5 years of experience of field-based (outdoors) survey-style work;
- Field Technicians: A high school diploma is required, with accredited post-secondary training in skills related to the position beneficial. A minimum of 1 year of experience of field-based (outdoors) survey-style work is preferred;
- Consistent availability to work away from the home office at remote jobsites for up to 14 days at a time.

Preferred Certifications:

- OFA Level 1/Basic;
- H2S, TDG;
- ATV Rider Safety & Snow Pro;
- Wildlife Awareness;
- CSO (Common Safety Orientation).

Remuneration:

- Field Technicians \$25.00 - \$30.00 per hour commensurate with experience;
- Crew Chiefs \$30.00 - \$35.00 per hour commensurate with experience.
