

Northwest Coast Archaeologist, Field Director

ARCHER CRM is British Columbia-based Archaeological Consulting company. ARCHER CRM strives to create and foster a workplace environment where diversity and inclusion are encouraged and celebrated. Through the recognition that every individual brings with them unique experiences, cultural histories, and perspectives, our goal is to create a workplace community that encourages growth, creative contribution, and success. With these goals, and through education, integrity and innovation, ARCHER Cultural Resource Management Corp. is committed to promoting the values of Canada's cultural landscape.

ARCHER CRM is recruiting archaeologists who have qualified, or may qualify, as Field Directors (BC Archaeology Branch [Bulletin 17](#)) with experience in Northwest Coast archaeology. This position leads field crews on assignments in coastal BC.

Job description

Primary Responsibility: To lead archaeological field teams and support Project Lead Archaeologists in the management of found archaeological sites. The Field Director will be required to meet regulatory, Company, and client standards, including but not limited to:

- Archaeological field assessments in a supervisory capacity;
- Adhere to ARCHER CRM OH&S & Quality Assurance programs;
- Provide direction and mentoring to apprenticing Archaeologists;
- Co-ordinate logistics effectively with Crew Chief(s) and Project Managers;
- Co-ordinate with Project Lead Archaeologists to satisfy project needs;
- Facilitate communications between Certified Archaeologists, and the Field Director's team;
- Must be capable of working in a team environment, both in leadership and supportive roles
- Involves travel to remote job sites.

Preference given to those with the following skills/experience:

- Demonstrated ability to supervise a field crew
- Demonstrated ability to work in remote and inclement conditions
- Demonstrated ability to complete technical and administrative documentation accurately
- Conduct of controlled archaeological excavations

Requirements:

- Valid BC Class 5 Driver's License, or equivalent;
- Canadian Citizen, or legally eligible to work in Canada;
- Be a Branch-approved field director for BC's Northwest Coast cultural region, or demonstrable equivalency in another regulatory jurisdiction;
- Undergraduate degree (B.A. or B.Sc.) or technical equivalent in Archaeology and/or Anthropology;
- A minimum of 360 days in cultural resource management, archaeological fieldwork, or a combination thereof.
 - Including a minimum of 60 days supervision of archaeological work in coastal conditions

Remuneration:

- \$36.00/hour - \$44.00/hour commensurate with demonstrated experience.
- Access to the company Medical Benefits plan
- Equipment and gear allowance

- Access to the company Health and Wellness plan.

No telephone inquiries.
